

## Terra Incognita: A Novel of the Roman Empire (Novels of the Roman Empire)

Downie's attention to day-in-the-life period details, judiciously doled-out twists, and dry British humor make *Incognita* one hell of a toga party. Entertainment Weekly Following her widely acclaimed, New York Times bestselling debut, Ruth Downie sends beleaguered army doctor Gaius Petrius Ruso to the uncivilized borders of the Roman Empire, where the Roman-controlled Britannia meets the independent tribes of the north. Ruso, unwillingly pulled into the murder investigation, is appalled to find that his slave Tilla is spending time with the prime suspect. Soon both Rusos and Tillas lives are in jeopardy, as is the future of their burgeoning romance.
