

Deadpool Max: Second Cut

Because YOU demanded it, Deadpool MAX returns for another round of anarchy, insanity and involuntary Armageddon. After rooting out a shadowy government conspiracy, Deadpool and Bob set out to stop it ... and totally futz it up. Now they stand accused of killing a quarter of a million people. Everyone hates them and wants them dead. They are now the worlds most wanted terrorists. How do you stay alive, stay sane and clear your name when youve got the entire world hunting you down and saying horrible things about you on TV? Plus: how do Deadpool and Bob spend their holiday break? By faking their own deaths, breaking into CIA headquarters, hunting down internet-pornpeddling jihadists and causing a riot in an insane asylum, of course! David Lapham (Stray Bullets, Young Liars) and Eisner-Award winning artist Kyle Baker (TRUTH: RED WHITE AND BLACK, Plastic Man) unleash their own special brand of crazy on a book you cannot afford to miss! COLLECTING: Deadpool Max 2 1-6, Deadpool Max X-Mas Special
