

Godmaker (The World of Lasniniar Book 4) (Volume 4)

Lasniniar is changing. Powerful forces have awoken, and humans have turned away from the elder races, seeking magics of their own. And on a far-off island, an elf princess has gone missing in a strange kingdom ruled by foreign powers. Once again, Iarion and Barlo find themselves thrust into the middle of things. Little do they realize their decisions will alter Lasniniar's future, as well as their own. This 114,000 word, fast-paced fantasy novel is the sequel to Wave Runners in the World of Lasniniar series.
