

The Pearl (Elearah Chronicles) (Volume 1)

How do gods come to be? Why are dragons good for some and menacing for others? Where do the different races of men come from? Why does evil even exist? The Pearl introduces us to the fascinating world of Elearah Chronicles, a place where ancient myths are alive, where these questions find answers in their own way. Travel with Balian the bard, Elearah the Pearl bearer, and Mika their guide, as they move through Huo, the land of the fire race. Witness with them the return of the Golden Dragon, and follow them as they clash with the servants of the Snake. And who is Pearl? Ah, that's a good question, a very good question indeed...
