

Stu Boling and the Lap Dance of Death (The Stu Boling Adventures Book 1)

Stu Boling is just a normal guy who wanted to grow up to be a policeman. That didn't happen. Instead he met an evil leprechaun that stuffed his head full of knowledge he shouldn't have knowledge of the world hidden within ours the world of the supernatural. Stu is just about at the end of his rope, unemployed and shy of prospects he's hit a new low. But when a stranger comes knocking on his door things change. Soon Stu finds himself facing death in a most unlikely place- a strip club! Stu is going to need more than a handful of dollar bills to get out of this one alive because at the Faster Pussycat strip joint the drinks are expensive, but a lap dance could cost you your life!
