

Nightmare Magazine, Issue 34 (July 2015)

NIGHTMARE is an online horror and dark fantasy magazine. In NIGHTMARE's pages, you will find all kinds of horror fiction, from zombie stories and haunted house tales, to visceral psychological horror. This month, we have original fiction from Alison Littlewood (Wolves and Witches and Bears) and Nate Southard (The Cork Wont Stay), along with reprints by Lisa Tuttle (Replacements) and Christopher Golden (Under Cover of Night). In our latest installment of our monthly column, The H Word, author Paul Tremblay explores the political in horror. Plus, we've got author spotlights with our authors, a showcase on our cover artist, and a panel interview on horror podcasts, featuring Kc Wayland and David Cummings.
