

Lets Be Friends (Nurse Nate Trilogy) (Volume 3)

Nate and Bettys long-distance relocation has shrunk their pesky problems like specks in a rearview mirror or so they think. But small-town life in sultry South Carolina includes its own challenges, and the Bingham's soon discover their northern hometown doesn't have the monopoly on frustrating co-workers and dysfunctional families. Add in a bit of culture shock, and the result is a thick, hilarious pot of outsider gumbo. Plus, some people and decisions can follow you anywhere you go, for the rest of your life.
