

## Drained (Lauren Westlake Mysteries Book 2)

A frightening new case. A mysterious journal. The beginning of the end. Lauren Westlake has left behind the horrors of northern Minnesota to investigate a strange package with a cryptic return address. Crossing the country to the city by the bay, Lauren discovers that Locke was only the beginning. Crossing paths with a stoic SFPD detective and a surprise from her past, she must figure out what hunts the foggy streets of San Francisco in this new novella. Is it vampires? Is it something more? Love supernatural, paranormal, and scary stories? Then what are you waiting for? How about gory horror stories, women sleuths, and occult assassins?
