

## Off the Mangrove Coast: Stories

A collection of classic adventure...From the jungles of Borneo to the hidden canyons of the American West, from small-town fight clubs to a Parisian cafe at the end of World War II, here are tales of betrayal and revenge, courage and cowardice, glory and greed, as only Louis L'Amour can tell them. Here is L'Amour at his very best. A charismatic boxer itches to fight all comers but his only shot at the championship is in beating the man who ruined his father.... A beautiful movie star finds a dead man in her apartment and begs her ex-lover, a tough private eye, to clear her name.... A reluctant hero guides a diamond-hunting couple up a river ruled by headhunters and pirates in pursuit of a legendary stone and the mysterious warlord who guards it.... A young renegade sails the South China Sea with a trio of dangerous men in search of treasure, but when its time to divide the prize, can he trust any of them? Combining electrifying action scenes, vivid historical detail, and characters who seem to leap off the page, these spectacular stories honor the legend of Louis L'Amour.
