Ever wondered what REALLY happened with Dubyas Pretzel? Ever wondered why Rio was late for his drugs test?.....

...Once upon a time in a yummy little shop called Harrods, there lived a gorgeous 25 and a quarter year old mall brat, called Emma Wilson. But Emma wasn't like the other girls. Oh no! Daddy's little princess was special, and was sure to have a cold every Tuesday and Thursday, so she could slave in Harrods with her best pals Lucy and Tash, billing Daddy's credit card in sickie heaven. Then one day, poor little Miss Emma, star pupil of the Mucca Mills Golddigging Academy, was made chief bridesmaid of her best friend Lucy's wedding (big mistake) and began working her way through the guest list (bottom up) taking the scenic route through the White House Oval Office, and Cristiano's off-side rule (for girls). But who will make it to the altar first? And what of Billeo & Monicet, this pair of cigar-crossed lovers?

Prepare yourself for a maths-loving, goldenballsy romp, in the funniest, most cock-scrambled secret diary ever! Yes, poor little Emma, rebel with a Harrods shopping cause, is about to rock your world! (she spells phonetically) This book is suitable for vegetarians.
