

Abhorsen (Old Kingdom)

The apocalyptic conclusion to the New York Times bestselling Abhorsen series is an epic fantasy experience not to be missed. The Abhorsen Sabriel and King Touchstone are missing, leaving only Lirael newly come into her inheritance as the Abhorsen-in-Waiting to stop the Destroyer. If Oraniss' unspeakable powers are unleashed, it will mean the end of all Life. With only a vision from the Clayr to guide her, and the help of her companions, Sam, the Disreputable Dog, and Mogget, Lirael must search in both Life and Death for some means to defeat the evil destructor before it is too late...
