

## Edge Of Dreams

What do you do when you realise that the bad guys might care more about you than the good ones? Rickys on the edge of a life of crime. Skipping college to steal cars in the aftermath of his fathers death in action, its not surprising that his dreams are vivid and seem almost real. Caliths just on the edge of a life. Snatched from Rickys world to another place altogether, Caliths found out that when youve grown up with the enemy, its hard to make friends. Then Ricky dreams of Calith and nobody seems more real than this boy from another world, with his multi-coloured hair and temper to match. But are Caliths motivations all they seem? Rickys not sure. Caliths dark past is coming back to haunt him big time, and when youre jumping worlds to escape the good guys, something must be wrong somewhere, mustnt it? A contemporary fantasy, certified 100% vampire-and-werewolf-free. No elves, faeries, dragons or wizards. Not even any zombies. Anywhere. No, really there arent. (approx 70,000 word novel)
