

Only Children Hear Me: Jake is a Friend You Can Talk To

Dear Kids: Hi, Im Jake. Yes, Im a dog, but Im definitely not ordinary! Id like to be your friend and help you whenever you need me. I can give you advice about anything thats bothering you, because I have a special gift: I can talk to children. My special job is to teach kids about all sorts of things and help them stay safe until theyre grown. When you read my book, youll see how Ive already helped some of my friends understand things like getting sick, looking different from other kids, and adoption. But weve also talked about serious problems they couldnt speak to anyone else about. You can trust me with your deepest secrets. Sometimes its hard to talk about whats happening in your life, especially when youve been told not to. If something or someone is hurting you deep inside where no one else can see it, please dont keep quiet. Talk to an adult or talk to me, but just talk. Never stop talking. Love, Jakewww.only childrenhear.me.com
