

Orc Quest: Prophecy

Grog the Orc is a coward, and has been banished from the Bloodwolf Clan for failing the passage to adulthood. So begins his prophesied quest to find the last human on Garagol, who it is rumoured knows witchery, and can give him back his courage. He is joined by a ragtag band of creatures including Alfick the grumpy Dwarf who wants to go home, Targa the Warg who is on her last journey, Piggus his betrothed who has defied her father, Mimeo the baby Dragon who has lost her parents, Ptak - his pet Grumble, and the Mountain Troll NGuk who wants the Dragon. Unfortunately, he is being hunted by Piggus father with a hunter squad, and agents of the Valkyrie Sigrun who want to kill him, but the Elves must ensure the prophecy comes true, and have their own agent in Nub the Goblin.
