

Created Darkly (Kris Chase Book 1)

Necromancer Kris Chases purpose is simple. Blindly raise the dead for the primary elite, self necro-governed group, the Center. The problem is, she couldnt care less about what the Center expects from her. Instead, she is more content with snuffing out the life-force from every vile creature she can get her hands on; the same monsters her brethren indiscriminately create for the right price. Until the life of someone dear to her is threatened. With the stakes raised insurmountably, she finds herself bound by desperation to create the very darkness she always fought against being consumed by, going against everything she has ever believed in.
