

Scratch & Stencil: Outer Space

Everything that you need for hours of doodling, stenciling, and crafting can be found in these convenient, on-the-go Scratch & Stencil kits. Each kit includes seven sheets of scratch paper and a wooden stylus, which together can be used to create artwork in fun, bold colors. A 24-page booklet in each kit contains detailed instructions for craft projects that can be created with the three stencils provided, though the scratch sheets are perfect for freehand drawing as well. Scratch & Stencil: Outer Space contains black scratch paper that can be scratched through to reveal rainbow whiz, rainbow stripe, rainbow whirl, and orange-yellow underneath. The three out-of-this-world stencils included can be used to create such projects as a super-cool space station and an alien-invasion photo.
