

Paradise Hacked (First Circle Club) (Volume 2)

PARADISE HACKED is the sequel to FIRST CIRCLE CLUB. Detective Thomas Haymaker finds a mangled, burned corpse on a golf course, and the First Circle Club is called upon to investigate. With two members sent down from Heaven, and two from Hell, the Club can solve the most diabolical mysteries. They learn that the murder victim had found a way to sneak into Heaven, a trick that should be impossible. As the investigation proceeds, Virgil's team contends with military conspiracies, deadly scientific experiments, and a secret alliance between an angel and a demon. Meanwhile, the body count rises, but more than human lives are at stake. The ultimate target for destruction is Paradise itself.
