

Paradiso

With his journeys through Hell and Purgatory complete, Dante is at last led by his beloved Beatrice to Paradise. Where his experiences in the Inferno and Purgatorio were arduous and harrowing, this is a journey of comfort, revelation, and, above all, love—both romantic and divine. Robert Hollander is a Dante scholar of unmatched reputation and his wife, Jean, is an accomplished poet. Their verse translation with facing-page Italian combines maximum fidelity to Dantes text with the artistry necessary to reflect the originals virtuosity. They have produced the clearest, most accurate, and most readable translation of the three books of The Divine Comedy, with unsurpassable footnotes and introductions, likely to be a touchstone for generations to come.
