

SmartLab Toys Horse Clay Kit (Art Lab)

Young sculptors can create a realistic version of one animal with each single-themed sculpting kit. Along the way, kids learn a variety of sculpting techniques and interesting facts about the featured animal. They can showcase their masterpiece in front of one of two dioramas -- a natural setting or a display frame. Its a whole new way to play with clay. Each kit contains a full-color accordion fold-out activity booklet and plastic posable animal armature. Product Dimensions (inches): 5 (L) x 1.5 (W) x 7 (H) Age: 6 years and up
