

## In One End and Out the Other: What Happens to Poo When It Leaves You? (Flip Flap Journeys)

More than 50 flaps to open in this large board book discussing digestion, toilets, sewage treatment, and everything else to do with waste. How do you digest food? Why is poo brown? What is pee made of? Flip the flaps and follow the fantastic journey of food to find out! Children are fascinated by poo, and particularly what happens to their poo when they flush the toilet. They'll love this book about two children who follow the journey of food and drink as it passes through their bodies.
