

## Picture That: Battles & Weapons

The popular Picture That! series features fine-art reproductions to explore history! The latest addition to the series features an informative history-through-art look at swords, guns, battlefields and warriors. These books are favorites of art and history lovers alike! High quality art reproductions with sidebars and historical info Spotlights on details of paintings are used to impart information in an engaging and browsable format. This book is as at home on a coffee table as it is on a library shelf. Praise for other titles in Picture That! series: Art and history meld with entertaining and successful results... These unique, well-thought-out titles are good for reports, and browsers would enjoy them, too. ?School Library Journal
