

Pocketdoodles for Boys

Inside are interactive picture and word prompts that will encourage youngsters (and adults) to write, doodle, draw and color on the pages. For example, you'll find storyline doodle pages on which you are given picture elements and instructions on how to complete the drawings. The book's small size (4x6 inches) makes it perfect for stowing in a pocket or backpack, so kids can enjoy the activities and doodling prompts wherever they go. With 272 pages, there's always a new idea for drawing and dreaming!
