

Poison Justice (Executioner)

TRIANGLE OF TERRORA deadly alliance between the New York Mob, a Colombian cartel and Middle Eastern terrorists is the starting point of a plot that could end with the wholesale slaughter of innocent Americans. At stake is a radioactive toxin developed for the space program, but now for sale to fanatics in the market for a killer weapon. Corrupt Justice officials are neck-deep in the conspiracy but where black ops activity begins and ends is anybody's guess. Bad odds get worse when Mack Bolan, posing as a Justice agent, turns up at the scene of a shooting. The victim: Hal Brognola. On the run and hunted by both sides of the law, Bolan's luck is running out. But the battle never ends until the Executioner wins or dies.
