

Power (The Essential Works of Foucault, 1954-1984, Vol. 3)

Power, the third and final volume of The New Presss Essential Works of Foucault series, draws together Foucaults contributions to what he saw as the still-underdeveloped practice of political analysis. It covers the domains Foucault helped to make part of the core agenda of Western political culturemedicine, psychiatry, the penal system, sexualityilluminating and expanding on the themes of The Birth of the Clinic, Discipline and Punish, and the first volume of The History of Sexuality.Power includes previously unpublished lectures, later writings highlighting Foucaults revolutionary analysis of the politics of personal conduct and freedom, interviews, and letters that illuminate Foucaults own political activism.
