

Crown Thief (The Tales of Easie Damasco)

Meet Easie Damasco: Thief, swindler and lately, reluctant hero. But whatever good intentions Damasco may have are about to be tested to their limits, as the most valuable - and dangerous - object in the land comes within his light-fingered grasp. Add in some suicidally stubborn giants, an old enemy with dreams of empire and the deadliest killers in two kingdoms on his heels, and Damasco's chances of staying honest - or even just surviving - are getting slimmer by the hour.
