

Boiling Point (Catalyza Book 4)

Aisha hopes that things will calm down now, especially with the NRUP searching for Jamal, AKA The Black Hole. She still has some difficult decisions to make, though. The NRUP wants her, and so does Dr. Fletcher. Will Aisha step up to be the hero? And, what does being a hero mean? The Catalyza series follows Aisha as she takes responsibility for superpowers she never asked for. Quick, action-oriented, and with a comic book feel, Boiling Point asks how we should act in the face of another's persecution.
