

The Birthgrave: Birthgrave Trilogy: Book One (The Birthgrave Trilogy)

A mysterious woman awakens in the heart of a dormant volcano. She comes forth into a brutal ancient world transformed by genocidal pestilence, fierce beauty, and cultural devastation. She has no memory of herself, and she could be anyonemortal woman, demoness lover, last living heir to a long-gone race, or a goddess of destruction. Compelled by the terrifying Karrakaz to search for the mysterious Jade that is the answer to her secret self, she embarks on a journey of timeless wonder. Rediscover this realm of brilliant cruel beauty and seductive immortal ruins, of savage war and grand conquest, of falling stars and silver gods. This 40th anniversary edition of legendary fantasist Tanith Lees debut novel includes its original introduction by Marion Zimmer Bradley.
