wind in time has come amongst us  
Bringing with it gales of change.  
Sweeping down upon this barren earth,  
Leaving it soft and green.  
It breathes its breath upon the land  
Across the meadows and forests;  
Across the hills and valleys;  
Across the mountains and plains.  
A wind of change its breath is  
Bringing unto us the seasons:  
Wars and times of peace;  
Chaos and times of order;  
It is the wind in time and no other.  
Amborese thought she was a peasants daughter until one night dark creatures murdered her parents and pursued her into the forest. Saved by a talking cat and her friend Zolo, she fled for her life only to learn that she was heir to a throne that has sat empty for over 300 years. Pursued across the five lands of Tesnayr by an evil wizards army, Amborese discovers a world full of senseless war and powerful magic. Joined by the most unlikely of friends, Amborese must unite the five lands of Tesnayr and restore them to their former glory. Yet, she harbors a power that even Zolo is unaware of; the magic of the phoenix. But can the daughter of a peasant overcome her doubts and become the queen she was meant to be?
