At thirty-four Mr. Wrenn was the sales-entry clerk of the Souvenir Company. He was always bending over bills and columns of figures at a desk behind the stock-room. He was a meek little bachelor a person of inconspicuous blue ready-made suits, and a small unsuccessful mustache. To-day historians have established the date as A pril 9, 1910 there had been some confusing mixed orders from the Wisconsin retailers, and Mr.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
