

Refuge

A timely rendition of the nativity follows Mary, Joseph, and Baby Jesus as they travel in a strange land, hoping to find refuge in the kindness of strangers. \$1 from the sale of each book sold until October 2017 will go to the UN refugee agency, UNHCR. Everyone knows the story of how Jesus was humbly born in a manger when there was no room at the inn. But here is a lyrical depiction of what came next: the new family travels through the desert, fleeing Herod's soldiers in order to find a safe place to welcome their son into the world. A refreshing look at the classic Christmas story that has never been more relevant, *Refuge* asks readers to consider the modern day implications of being forced to flee your home country.
