

Resisting the Moon: A Royal Shifters Novel

The past was pain. The present unclear. For Tyla Rand, her future couldn't be bleaker. Death follows her everywhere, especially to those she loves. Being a member of the royal pack, she believes her time of happiness will come. That is, until wolves from her old pack show up missing. Her mission is to find them, but she won't be going alone. Sebastian Lyall, a true born royal and the one man Tyla loathes, has offered to help in her quest. Their journey not only brings out their true desires, but attracts the attention of another, someone from Tyla's past. However, nothing is as it seems. Death is not done with her and now he wants her to pay. He won't be satisfied until he's taken everything away ... including those she loves.
