

## Dares and Dreams

Lannie Spenser just lost her father unexpectedly. When the mother she has never met arrives the day of the funeral, Lannie is introduced to a world she never knew existed. Overwhelmed with the fact that she was born a witch and will come into her full powers on her twenty-first birthday, Lannie also learns that her Mom, Selene, is a Vamp-Witch. Now that she knows what she is to become, Selene encourages her to accept immortality and become half vampire to save herself from a Vampire King. The King hunts her, hoping to be the one to make her immortal, as only Lannie can give him the power that will help control, and rule all of the creatures of the night. As Lannie tries to embrace it all, she finds Ash. When both of them dream of the same little blonde boy, Ash is led to Northeast Harbor, Maine to help protect her from the Vampire King. Ash vows to protect Lannie, never expecting to fall in love with her. When an unexpected visitor shows up at the bar where Lannie works, Ash fears she will find out that he has a secret of his own.
