

## Man at the Helm: A Novel

A New York Times Notable Book of 2015 From the writer of the hugely acclaimed *Love, Nina* comes a sharply funny debut novel about a gloriously eccentric family. Soon after her parents separation, nine-year-old Lizzie Vogel moves with her siblings and newly single mother to a tiny village in the English countryside, where the new neighbors are horrified by their unorthodox ways and fatherless household. Lizzies theatrical mother only invites more gossip by spending her days drinking whiskey, popping pills, and writing plays. The one way to fit in, the children decide, will be to find themselves a new man at the helm. The first novel from a remarkably gifted writer with a voice all her own, *MAN AT THE HELM* is a hilarious and occasionally heart-breaking portrait of childhood in an unconventional family.
