

Scott Sapphire and the Emerald Orchid

Meet Scott Sapphire, lover of French champagne, Belgian chocolate and dangerous men. He is suave. He is sexy. He is a man of the world and a man that the world desperately wants to catch. For Scott Sapphire is the greatest jewel thief of our time. Dashing. Daring. And always neck-deep in trouble. But when Scott's latest heist lands him in possession of a map to a rare and precious orchid, it'll take more than bedroom eyes and a charming smile to stay one step ahead of one of the world's most powerful business tycoons, as well as keep the CIA off Scott's back and a handsome special agent out of his pants or maybe not. From the Venice canals to the Amazon rainforest, from Rio de Janeiro to the casinos of Monte Carlo, comes a brand new gay hero as irresistible as diamonds and pearls. Adventure has a new name! And that name is Scott Sapphire.
