

Breathing Fire (Heretic Daughters Book 1)

R.K. Lilley writing Urban Fantasy as Rebecca K. Lilley Every head start has a price Seven years ago, Jillian burned just about every bridge she ever had. Being a lifelong fugitive, she'd seen it as her only chance to get away clean, but it had taken its toll. In a world where those with supernatural powers must stay hidden from normal society, being a creature that even most of the supernatural community considered a myth did not make for an easy life. And when the ex she ran away from finds her again, it's about to get much harder. It doesn't help that she's still hopelessly in love with him
