

## Rune Gate Cycle: Omnibus

On the edge of sanity, can she stop a ruthless killer? Formerly published separately in print as Rune Gate and Chosen, this omnibus contains Alex Yorke's complete adventure. Alexandra Yorke was a top police clairvoyant, but years of living inside the heads of serial killers has taken its toll. Unable to control her gifts, she retreats from the world, but a few months of peace is all she has before a friend calls in need of help. Pursuing a killer into another world, she must journey through the magical kingdom of Inari to warn the queen of treachery, but the Goddess has her own plan for Alex, something she never would have expected. This magical adventure represents the complete Rune Gate Cycle.
