

To Birth a Destiny (Sacred Knight) (Volume 3)

The Sacred Knight series continues with this third installment. Having left Lilinar after the death of Keterias father, Steigan gets his magic trained in Dubinshire. Influenced by the ancient enchantment of Rivics line, Steigan rides out nightly to fight the gargaxes which are waking up as a thousand year old spell is beginning to break. But the gargaxes arent the only ones awakening. After being bitten by a gargax, Steigans quest for a cure to heal his magical aura lands him face to face with The Destroyer of Civilizations, a man who was the last lord of Gohaldinest. What other secrets does the land of Dubinshire hold? Far too soon, Steigan returns to Lilinar only to find all he once held dear turned askew and crumbling to pieces. Can he save the city he loves from destruction, or is it already too late? How far and at what costs will he go to in order to save the world? How dark and bloody can he make his own legend?
