

Salvaged Soul (The Ignited Series) (Volume 3)

Life in paradise isn't exactly what Kris thought it would be. Treated like a prisoner and forced to keep her romance with Nathan hidden, she struggles to adapt to island life with the Kala. Worse, her specialties are coming in faster than she can control, and she fears the Skotadi within her will soon win the battle for her soul. Her only hope is to embrace her Incantation lineage, master the skills she's supposed to have, and free herself of her destiny. If only she could figure out how to do it. The ghosts of Nathan's past still inhabit the island. Adapting to the Kala way of life again is something he will grudgingly accept, as long as they agree to help Kris. But falling back into the Kala system means being a Kala soldier, and when the gods ask for help, he cannot refuse. Sent around the world on a mission, he faces new dangers and stumbles upon a startling discovery that could change everything. Together, they face their biggest hurdle yet and put their relationship to the ultimate test. When old temptations arise, new enemies emerge, and emotions run high, can their love survive? From Amazon's bestselling author, Desni Dantone, comes the third installment of The Ignited Series, where the danger is real, the stakes are higher, and nothing is what they thought. Continue the journey with Kris, Nathan, Alec, and Callie as they discover that when friends become enemies, enemies become friends, and the battles lines between good and evil blur, choosing the right side isn't always easy.
