

Reflections Book II: The Later Years Written from Age 19 - Age 44

I know these poems aren't the greatest, but I wanted to have all of my poetry in one anthology for my children to have as a keepsake growing up. I did separate what I felt were the better poems into two separate books: Reflections Book I: The Younger Years Written from Age 15 Age 18 and Reflections Book II: The Later Years Written from Age 19 Age 44. The entirety of my poetry and essays can be found in Reflections: The Complete Book: Written from Age 10 Age 44. I know you won't enjoy each and every poem, but it is my hope that you can at least connect to and find some solace in at least some of the words I have captured from my heart.
