

Scratch & Stencil: Dragons & Fantasy Creatures

Everything that you need for hours of doodling, stenciling, and crafting can be found in these convenient, on-the-go Scratch & Stencil kits. Each kit includes seven sheets of scratch paper and a wooden stylus, which together can be used to create artwork in fun, bold colors. A 24-page booklet in each kit contains detailed instructions for craft projects that can be created with the three stencils provided, though the scratch sheets are perfect for freehand drawing as well. Scratch & Stencil: Dragons & Other Fantasy Creatures contains black scratch paper that can be scratched through to reveal white, rainbow, red, and glittery silver underneath. The three fantastical stencils included can be used to create such projects as a detailed dragon do not disturb door hanger and a fire-breathing dragon party invitation.
