

Second Grave on the Left (Charley Davidson Series)

Second Grave on the Left Darynda Jones If you hang around with dead people, life can deliver a whole world of trouble. Take it from Charley Davidson, part-time P.I. and full-time Grim Reaper. The deceased find her very sparkly. Demons find her irresistible. And one entity in particular wants to seduce her in every way possible. When Charley and Cookie, her best friend slash receptionist, have to track down a missing woman, the case is not quite as open and shut as they anticipate. Meanwhile, Reyes Alexander Farrow (otherwise known as the Son of Satan. Yes. Literally.) has left his corporeal body because he's being tortured by demons who want to lure Charley closer. But Reyes can't let that happen. Because if the demons get to Charley, they'll have a portal to heaven. And if they have a portal to heaven, well, let's just say it wouldn't be pretty. Can Charley handle hot nights with Reyes and even hotter days tracking down a missing woman? Can she keep those she loves out of harm's way? And is there enough coffee and chocolate in the world to fuel her as she does?
