

## Shadowdale ~ Tantras ~ Waterdeep (Avatar Series)

Shadowdale: When the gods are banished from the heavens, they must travel through Faerun in the guise of mortals.... When magic itself runs wild, no one can say that the most innocent of spells will not destroy the world. ~ Tantras: When Elmister, the Old Sage of Shadowdale, is apparently slain, Midnight and Adon stand trial for his murder.... ~ Waterdeep: Where danger lurks around every corner and the avatars of the gods seek the Tablets of Fate.... Where the destiny of the world will be decided and a new pantheon of gods will rise into the heavens.
