

Sherlock Holmes and the Disgraced Inspector

An old rival at Scotland Yard, Inspector Lestrade, pays Sherlock Holmes a visit. Lestrade is deeply troubled. The disappearance of five boys has been left unsolved for almost twenty years. Under Lestrades watch the wrong man was arrested and imprisoned for murder. But after a long appeal, the court has suddenly overturned its decision. The man is free. Lestrade has been disgraced. Holmes is not so convinced by this new verdict. He believes he can help Lestrade prove, once and for all, that his man is guilty. With Holmes and Watson officially retired, and Lestrade forced out of Scotland Yard, the three must endeavour to solve the mystery outside of the law. Can Sherlock Holmes and Dr. Watson save Inspector Lestrades reputation? What evil will they uncover? The mystery of the missing boys may prove to be Holmes and Watsons most sordid case yet. A treat for any Holmes fan. - Tom Kasey, best-selling author of Trade Off. John Hall spent many years in the civil service before becoming a professional writer specialising in crime fiction. His book Death of a Collector won the Sherlock magazines competition for the best new fictional detective.
