

## Magic of the Loons: A Short Story

Jackson doesn't know the legends of the loons. When the mists fade, when the mighty loons zoom across Achilles Lake, when the male loon seeks its mate, the romance begins. Jackson has a secret rendezvous with Kai, his Loon Woman. She calls him her birdman. Their heated lovemaking on the cabin floor is interrupted by an intruder. Jackson doesn't believe the loons' calls can evoke magical powers, or that their great wings might bring him beyond his ordinary world. Listen for the hot laughing song of the loon. What mysteries lie in loon magic? Believe. A short story of passion, mystery, and magic---fabulism. (Kindle Single)
