

Sight and Sound: Book Three (The Longsword Chronicles 3)

Book 3 Come at once to Shiyath. Urgent. So said the message from Brock of Callodon, propelling Gawain and Elayeen along a path abandoned a thousand years ago, a path no man or elf has dared to tread since the mysterious destruction of the great city of Calhaneth lying in ruins at its end. Morlochs armies are mustering in the north, Elayeen remains enthralled by the sight of the Eldenelves, and a wizard of the Dith holds the key to their speedy arrival in Elvendere where, Gawain hopes, his queen will be restored to him, and the reason for Brocks urgency will be revealed. Hope, even when its of the futile variety, is still hope. And Morloch is still far from defeated.
