

## Silas Marner (Students novels)

George Eliot was the pen name of Mary Ann Evans, an unusual woman at any time, particularly so for her day. She was born in 1819, received an excellent education, lived a full life, and wrote widely and successfully. Her best remembered book is SILAS MARNER. SILAS MARNER becomes a compendium of virtues whose lot is to care for a small golden-haired girl whose mother freezes to death in the snow outside his cottage.
