

The Woad to Wuin: Sir Apropos of Nothing Book 2

The return of Sir Apropos of Nothing! This sequel to the wildly successful Sir Apropos of Nothing starts off with a bawdy send-up of Lord of the Rings, but quickly segues into its own territory with the appearance of a mysterious Visionary at Apropos bar, Bugger Hall. The man tells our antihero, You will become a shadow of your former self while escaping to the Tragic Waste on the Road to Ruin, (or is that Woad to Wuin?), just as Sharee, Apropos weaver companion from the first volume, bursts in and begs for his help in escaping Lord Beliquose. The very loud lord wants a powerful gem, the Eye of the Beholder, which the virtually powerless Sharee possesses and which Apropos promptly steals....The wisecracking wordplay that fans have come to expect skips smoothly off the page, lifting this satirical fantasy into a class all its own...goofy entertainment with gritty philosophical musing. -- Publishers Weekly (Starred Review)
