

Hair Raising (Dan Shamble, Zombie PI Book 3)

The Dan Shamble books are great fun. --Simon R. Green Ready-To-WereThe fur really flies when a serial scalper stalks the supernatural citizens of the Unnatural Quarter, targeting werewolves--and whats sadder than a chrome-domed lycanthrope? Zombie P.I. Dan Shamble is on the case, trying to stop an all-out gang war between full-time and full-moon werewolves. As he combs through the tangled clues to hunt down the bald facts, things get hairy fast. Shamble lurches through a loony landscape of voodoo tattoo artists, illicit cockatrice fights, body builders assembling make-your-own-human kits, and perhaps scariest of all, crazed fans in town for the Worldwide Horror Convention. Yet the reign of hair-raising terror grows longer. If Shamble cant snip this off at the roots, the whole world could end up howling mad. Praise for the Dan Shamble Novels Prepare to be entertained.--Charlaine Harris Darkly funny, wonderfully original.--Kelley Armstrong Two decaying thumbs up!--Jonathan Maberry
