

The Claiming of Carathis (Dimensions Saga Book 6)

Kyrin has to make the impossible decision on whether to save the dimensions and protect Paragoy, or follow her heart and let the dimensions suffer. Sedomer and Ryché continue their mentoring, amid trying to grow up and be the nobles they were destined to be. Their faith is tested and they struggle to live up to their potential. The new King of Qualsax turns out to be much more involved with his kingdom than his father, and in his bid to prove his power, he oversteps and summons the wrath of Valhara.
