

## Precious Dragon (Detective Inspector Chen Novels (Paperback))

In this, the third Detective Inspector Chen novel, Chen and Zhu are given a major assignment to escort an emissary from heaven on a diplomatic mission to hell. Zhu tries to dodge his demonic family's overtures, but ends up embroiled in hell's political intrigues. At the same time, a young boy born to ghostly parents in Hell is sent to live with his grandmother in Singapore Three. The boy, Precious Dragon, is being chased by Hell's most dangerous creatures and ends up being the key to unlock the mystery that is quickly spiraling out of control. Chen and Zhu find themselves in the middle of a struggle much bigger than they can fully comprehend, and when the dust finally settles, neither heaven nor hell will be the same. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
